**HISTORY/FACTS/ISSUES:**

On November 29, 2005, the Board of Sumter County Commissioners voted for Resolution No. 2005-004, prohibiting truck traffic in excess of 23,000 lbs on CR 139, CR 702 , and the north end of CR 209.

This has greatly reduced the deterioration of these roads due heavy truck traffic. Sumter County Public Works is requesting the remainder of CR 209, from C-466 south to CR 232 have the same weight restriction imposed. CR 209 has suffered significant road damage due to the amount of heavy truck traffic.

Imposing the weight restriction would reduce the amount of deterioration and maintenance cost associated to this road until the road can be reconstructed.
